

# TEXTING & DRIVING

**330,000**  
YEARLY INJURIES

**11 TEEN**  
DEATHS PER DAY

The National Highway Traffic Safety Administration finds that those who text & drive are more than **20x** more likely to be involved in a crash than non-distracted drivers.

**\$20 - \$400**

You can be **pulled over and ticketed** based on a text messaging offense alone. Violators will face fines ranging from **\$20 to \$400**.

## BACKED BY PUBLIC

Wisconsin's new anti-texting law will help reduce this dangerous behavior and lead to **safer roadways**.
